PHILOSOPHY

Welcome to the Madison Day Spa with the most extensive skin and body treatments to ensure every guest has the perfect experience.

Our philosophy is that true beauty comes from within, you first need to love and look after yourself; mind, body & soul. We value our guests' well-being and we want to ensure that we can provide them the best quality treatments with the right products.

We believe in the sense of wellness in the palms of nature, combined with a fresh, uniquely Australian environment, we bring to you a new Madison Day Spa experience, complete with a pure mindset that is reminiscent of one ideation: indulgence through the power of the most natural products from our partner who works for the same goal, Uspa.

USPA

**The Science
of Nature: Uspa
ensures that our
products use the
optimal combination
of herbal and
scientific technology
resulting in the
highest level of
sophistication and
functionality.**

Uspa strive to use only pure elements and natural extracts from plants. Wherever possible their ingredients are organically grown and produced in Australia.

Uspa believes that radiant skin can only come from healthy skin and are committed to developing and delivering to all clients the best products and treatments in pursuit of this objective. Healthy skin is all about vitality and reflective of a graceful aging process. Healthy skin captures the essence of Uspa.

Uspa is commitment to nature, which includes employing environmental friendly, recyclable packaging, as well as carbon offsetting programs. Uspa product development is free of cruelty and involves no animal testing.
