

About us – Sen on Madison, Vietnamese cuisine and wine bar

Sen means lotus flower and for us, it is a symbol of beauty and spirituality. Beside being Vietnam's national flower, sen has also represented the image of Vietnamese woman since the early ages.

Sen on Madison was founded in mid September 2017 by a group of hospitality professionals who were trained at the Le Cordon Bleu in Sydney and graduated from KOTO Vietnam (*) with a hope to introduce our tasty food as well as our culture into this beautiful region.

Since opening our doors in 2017, we have become well known for our healthy and refined cuisine. We believe food is to be enjoyed, celebrated, and shared; we hope you enjoy your time here at Sen and experience the taste of Vietnam.

For your best dining experience, please advise our friendly staff if you have any dietary requirement.

**Best wishes,
Van Chau, Shane Le and Hue Hoang**

(*) KOTO stands for Know One Teach One, a social enterprise help transforms the lives of disadvantaged and at-risk youth in Vietnam between the age of 16 and 22 through hospitality training program. More information about this unique organisation please speak with one of our friendly staff or visit via this website:
